The screenshot shows a web browser window with the title "JF Java Fundamentals Midterm Exam - Google Chrome". The address bar displays the URL: `myacademy.oracle.com/player/play?in_sessionid=99A13J383051520&classroom_id=75029310&in_lp_id=72069705`. The main content area shows the exam title "Test: JF Java Fundamentals Midterm Exam" and a "Test Instructions" box. The instructions state: "You have attempted the test 0 time(s). The maximum permissible number of attempts for this test is: 3." Below the instructions are two buttons: "Continue Test" and "Cancel".

On the right side of the browser, there is a notifications panel titled "Notifications" with the message "No new notifications". Below the notifications panel is a calendar overlay for "Friday, November 11". The calendar shows the date "Friday, November 11" and the time "1:38 PM Today". The calendar grid for "November 2022" is visible, with the date "11" highlighted in red. At the bottom of the calendar, there is a "30 mins" timer and a "Focus" button.
